# “Dial It Up a Notch”

*“THESE GO TO ELEVEN!” ~ Nigel Tufnel, This Is Spinal Tap (1984)*

Nigel was on to something when he said “Most blokes will be playing at ten... Where can you go from there?” We know the answer. **You can take your Web site, marketing and branding to “eleven” with some help from Inherent, Inc.**

Ten is *so* yesterday. You aren’t just any law firm. You are unique. You require a dynamic, customized solution. You deserve professional, personalized service. Why be satisfied with “good enough” or even “great” when you can have **unbelievable?**

Already a powerhouse in the world of law firm Web site development, Inherent will transform your marketing and branding – everything from your new firm logo and identity, to brochures and - of course - your Web site and other online applications. We can help catapult you out of the realm of “typical” straight to “out of this world.” Isn’t it time to crank your firm’s marketing up to eleven?

*Inherent has been providing custom design and technology solutions to law firms since 1993. We understand the unique requirements of the legal industry and work with each client to help them meet their strategic and marketing objectives.*
